STARTING POINT

SITUATION

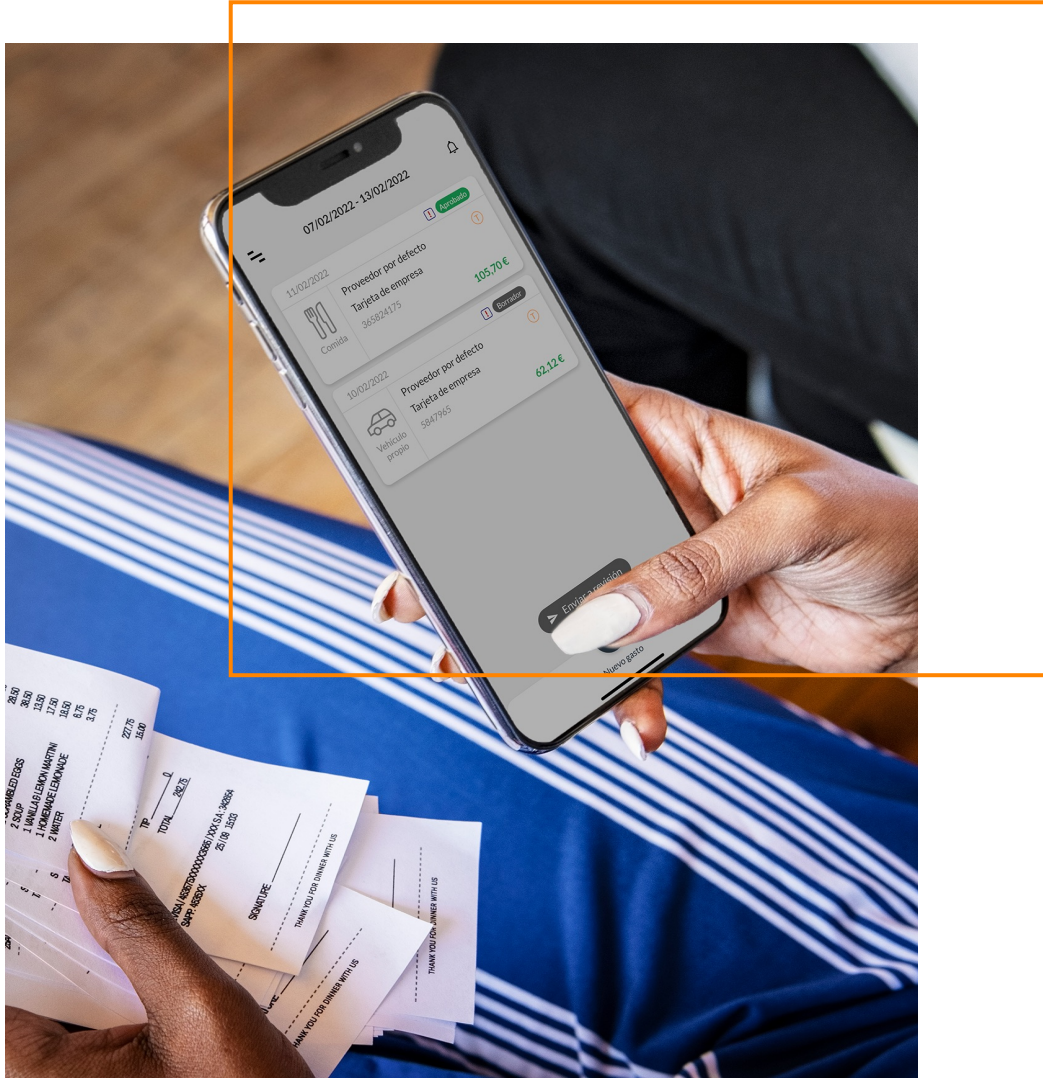

Very manual management and work, dependence on e-mails.

CONSEQUENCE

- High administrative cost due to manual work.
- Difficulty in communicating fluently.
- Large amount of time spent on manual tasks.

PROJECT GOALS

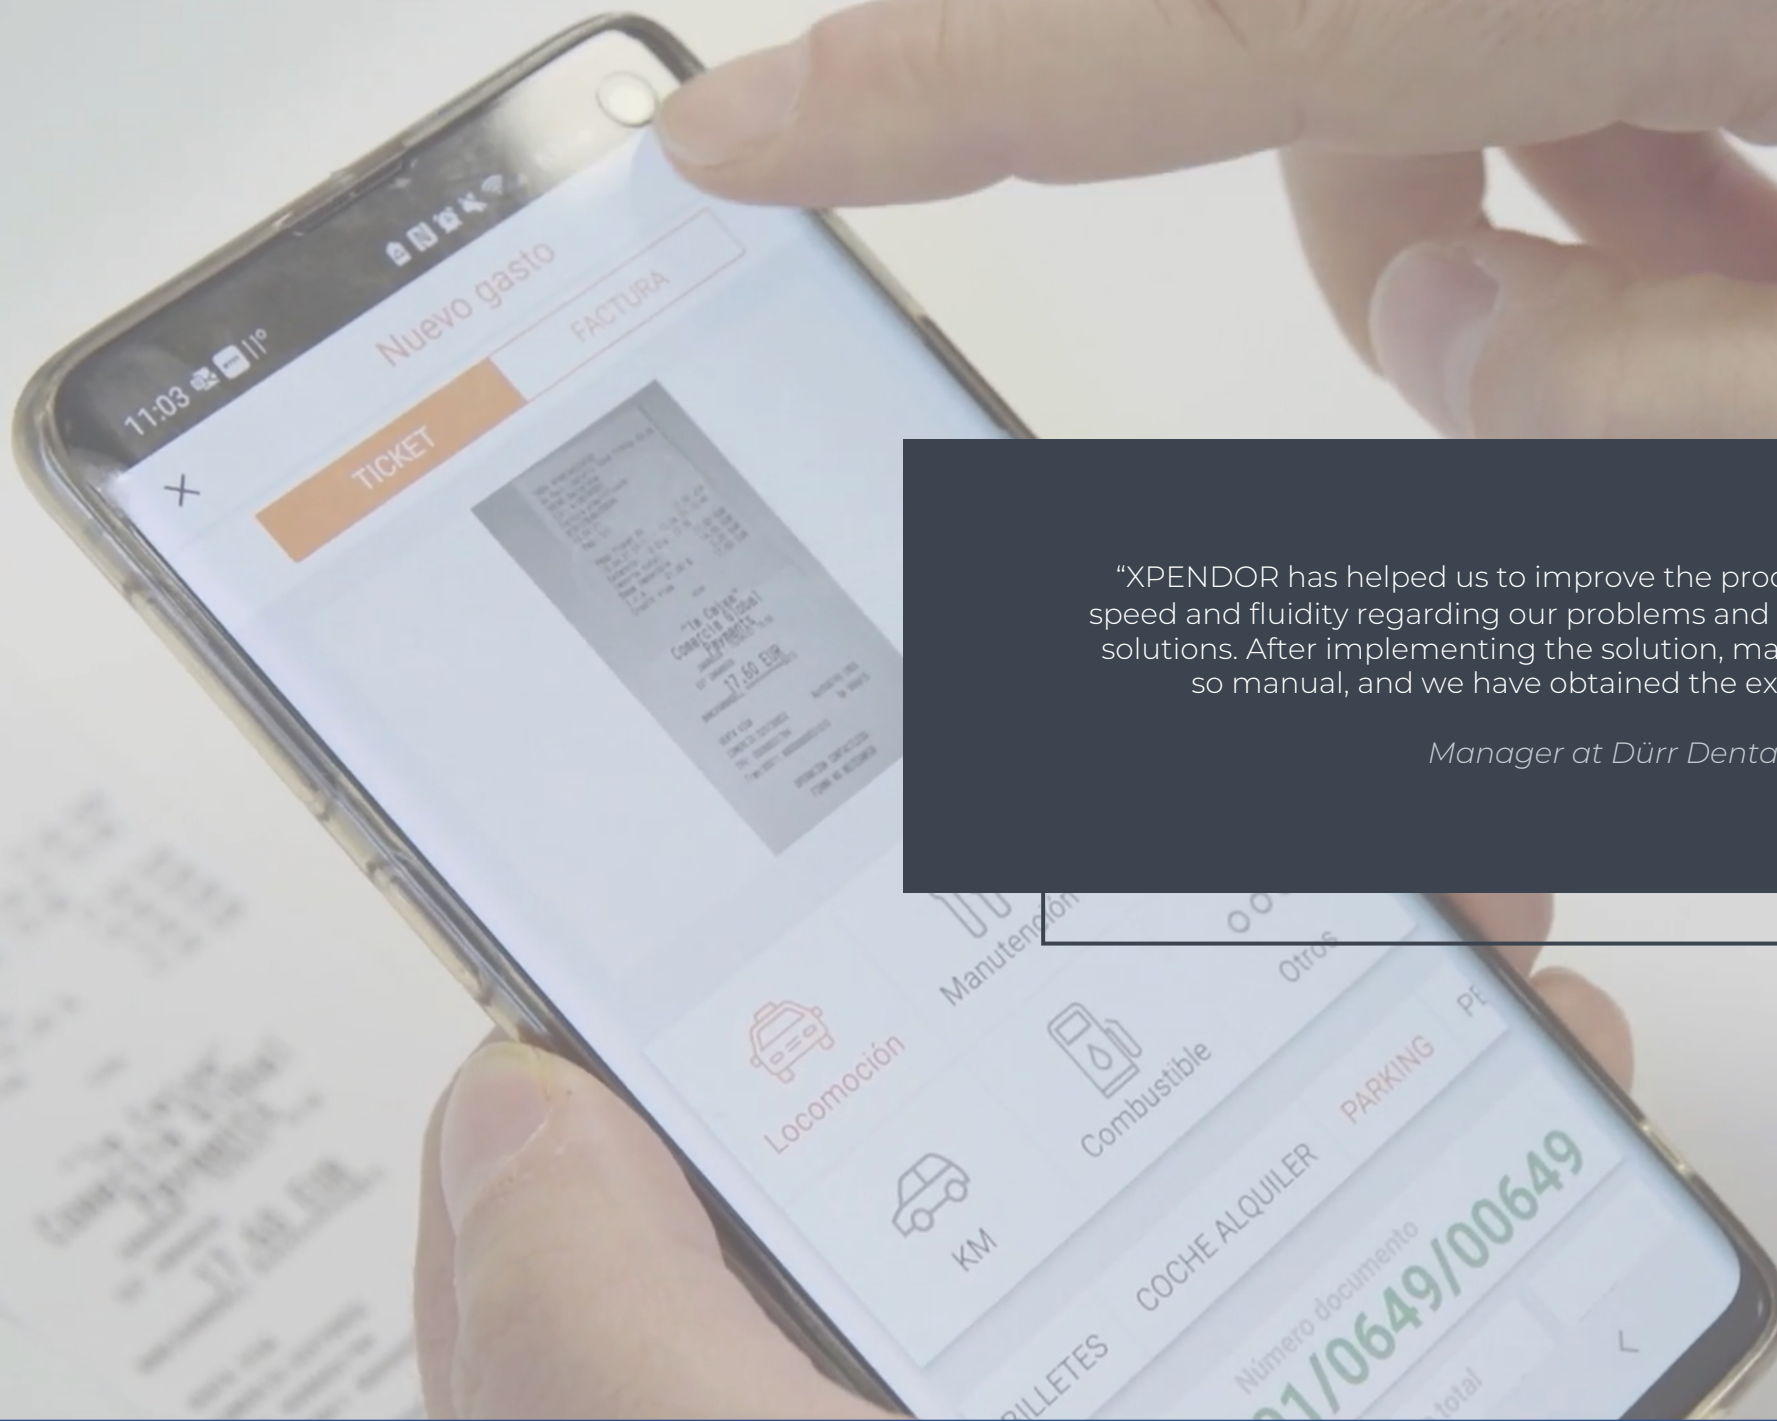

Management digitalisation and agility.

Comfort for sales staff and the accounting department.

Saving of time spent on revision.

"XPENDOR has helped us to improve the process, providing us with speed and fluidity regarding our problems and providing the necessary solutions. After implementing the solution, management is no longer so manual, and we have obtained the expected benefits".
